Distribution of Nursery Stock

The provincial forest service branch is making arrangements for distribution amongst farmers, schools and other institutions on a similar basis as last year of seedling of spruce, lodge pole pine, etc., from stock propagated at the nurseries at at Oliver near Edmonton. This stock will be distributed on applications received up to January 1st next. Last year a considerable distribution was made of spruce and pine seedlings to many farmers, schools and communities in the province. Next spring there will be considerable stock of white spruce and lodge pole pine for distribution as well as some jack pine, Siberian lodge, green ash and elm.

Alberta Turkeys in New Zealand

In far away New Zealand, the largest turkey farm in that country has been built up from foundation stock secured from turkey breeders in Alberta, according to information from the provincial poultry department. This New Zealand farm is owned and operated by a woman, Mrs. Katherine Bull, who purchased her breeding stock from Alberta some years ago. She forwards a photograph of her flock recently taken by the governor-general of New Zealand, and she has also placed a further order for breeding stock with the provincial government.

Big Payment for Beet Growers

Sugar beet growers of Southern Alberta recently received payments totalling upwards of \$100,000 net from the plant at Raymond for deliveries of beets this year.

A Foundation for Goodwill

There is a very solid foundation for the goodwill that prevails towards United Grain Growers wherever the sign of this company appears on an elevator throughout western Canada.

It rests on many years of useful service, and a long demonstration that this company not only desires to take care of the interests of its farmer customers, but it has the organization, the equipment, the resources and the experience which enable it to do so.

Whether in selling grain or in buying farm supplies it is sound business to deal with this Company.

Alberta Oil Output Largest

Alberta is now shown to be the leading province of Canada in production of oil. In September Canadian wells produced 97,342 barrels, of which Alberta alone produced 86,358 barrels.

Earl Keown and Becket Lowe who drove cars for Canadian Chautauquas from Oyen to Stettler and Calgary returned home this morning.

Miss A. M. Todd who has been under the doctor's care for the last ten days is not yet able to return to her duties on the teaching staff at Oyen school. Mrs. E. MacArthur has been substituting for her this week.

Mild weather has prevailed during the past week and most of the snow has disappeared. Temperatures have been near the forty mark each day with a maximum of 47. Only light frosts have been recorded at nights.

About Town and Country

Born—To Rev. and Mrs. C. M. K. Parsons of Alsask, Sask., on Wednesday, November 15, 1933, a daughter.

Mr. Charles Sweeney, who has been away from the district for six weeks, visiting at Medicine Hat, Brooks and Calgary, returned to Oyen this morning.

Mr. Fred White left Tuesday with a carload of effects and a carload of stock, for Irma, Alta., where he has rented a farm. Lawrence, Gordon and Evelyn left this morning by car.

Mr. G. M. Taylor and Mr. R. Cates, who were delegates to the annual meeting of United Grain Growers held in the city of Winnipeg returned to Oyen this morning.

A party of about twenty young people were out at Balaam's Sunday afternoon skiing and tobogganing.

On Saturday, December 2, under the auspices of the Anglican church, tea will be served and a sale of home cooking and needlework, will be held at Mr. J. B. Lowe's store, Oyen.

Mr. and Mrs. Geo. H. Langmuir and family left this morning for Calgary, where they will spend a few days.

The "Remembrance Day" service, held in All Saints Church Oyen, on the morning of Saturday, November 11, was well attended. In the unavoidable absence of clergy who were to have officiated, the service was conducted by Mr. G. S. Peck, and the "Remembrance Day" address, delivered by Mr. Charles L. Dunford.

A very successful and enjoyable concert and dance was held in the Kirkwall school on Friday evening last under the auspices of the Kirkwall Ladies' Society. Mr. Marsden was in the chair. The concert was opened with the singing of O Canada. It was a well balanced programme of monologues, recitations songs, reading, violin solo and two very good short plays. It was brought to a conclusion about 10 o'clock by the singing of The National Anthem, when the room was cleared for dancing a bountiful supper was served shortly before mid-night, after which the quilt made and donated by the Society and the cushion donated by Miss Graham were drawn for, the former going to Mr. Olson, Junior, of Sunnydale and the latter to Mr. Ed. Gull-ekson of Excel. Dancing was again resumed and continued until 3 a.m. The music was supplied by the Excel Orchestra. It is believed it was one of the biggest crowds ever in Kirkwall, some of the dancers coming from as far south as Hills. The proceeds are for the school funds.
